

PROFESSIONAL CANDIDATE REGISTRATION (PCR) AT IIT DELHI

Attached find herewith the list of courses offered (department wise) under professional candidate registration (PCR) programme at IIT Delhi, along with application form and timing slots & guidelines for the program. The classes for the next semester (II semester 2016-17) will be commencing from 2nd January, 2017.

(IIT Delhi understands that part-time post-graduate education eg M.Tech. requires a high intensity commitment of 3 years and a Ph.D programme even more involvement. Unfortunately, not everyone has the time for making such a long term commitment. Therefore, to facilitate focused educational need, a working professional can simply choose a course from nearly 400+ courses offered each semester and register for one/two. For the first time, it is possible to get the feel and benefit of IIT Delhi education with just an application form showing interest in a regular course at IIT Delhi (subject to approval by the Dept/Centre) for professional growth.

Eligibility Criteria

Professionals working in Industry, Research Organizations and Academic Institutes.

Educational background

Degree in Engineering or post graduate degree in a Science subject, Management etc. with relevant industry experience.

Fees:

Rs. 5000/- per credit –for companies, private engineering institutes

Rs. 2000/- per credit – for Govt. Educational Institute/Govt. Research Orgn.

(For example a 3-credit course shall entail a total Fee of Rs. 15,000/-)

In addition, a refundable security deposit of Rs.2,000/- per-candidate is payable.

Fees will be payable by DD/company cheque in favour of “**FITT, IIT Delhi**”
(with service tax @ 15%)

Certification

All professional candidates attending courses must appear in all tests and also submit all class assignments. Based on the performance he/she will be awarded certificate of satisfactory completion of the course.

(Please note that the credentials of PCR courses will not be applicable for pursuing M.Tech/MBA/MSc./Ph.D or any other degree program/s and will also not lead to any degree at IIT Delhi. There is no provision of grades under the PCR program for the registered course)

The classes will be for twice/thrice in a week for one hour as per timetable.

Semester Duration: January – May, 2017

A professional candidate under this category is a candidate sponsored by his employer to register for one/two course(s) for his/their self development/knowledge up graduation. He/she could be employed in industry, Govt. Organisation, Research Laboratory etc.

Kindly submit the filled-in application form(s) **as soon as possible latest by Thursday, 15th December, 2016** for further processing at our end.

At the address:

Mr. K. K. Roy, Chief Operating Officer, FITT, IIT Delhi, Hauz Khas, New Delhi - 110016
