IITD/AAIP/2020/242437

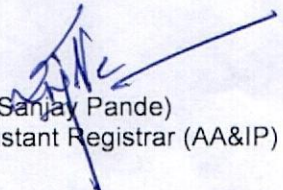

June 22, 2020

Mr. Vishwanath Hebhi (Entry No.2014CHZ8290) has been selected for the 'Batch of 1969 Innovation Fellow' Award for the project titled '**Low cost therapy for snakebite treatment for rural India**'.

The award carries a monthly stipend of Rs. one lakh per month for a period of one year. The Implementation Committee will carry out quarterly reviews of the progress made by the awardee.

The Award is being given to Mr. Vishwanath Hebhi for the above project under the guidance of Prof. Anurag S. Rathor, Department of Chemical Engineering as faculty adviser. It is expected that the student will continue to work under the guidance of the adviser in the laboratory where the work was initiated with all the infrastructure, consumables and other resources being made available either by IITD or by any other incubation scheme in operation at IITD to ensure its successful completion.

(Sanjay Pande)
Assistant Registrar (AA&IP)

Copy to:

1. Mr. Vishwanath Hebhi (2014CHZ8290) The award is not a loan, it is expected that recipients of the Award if successful in their venture would in due course contribute liberally to the Corpus to enable future generation of students to benefit from the Award.
The awardee may immediately submit the details of his bank account number, photocopy of the first page of the bank pass book to the accountant, Development Office, IITD
The awardee will also submit a proof of completion of all academic requirements for the award of degree from the UG section.
2. Managing Director (FITT) The award will be managed and executed by FITT as per MoU (and its annexure) between IITD and the Alumni of the Batch of 1969.
The report of review as per para vii of the Annexure-I alongwith the decision of the Implementing Committee will be communicated to the Development Office by the FITT.
